Letter of Recommendation – The Wandering Israeli

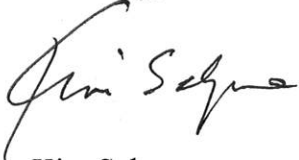

On April 10, 2018, the Jewish Federation of Greater Pittsburgh hosted "The Wandering Israeli" for its Women's Philanthropy Spring Event. The event was well-attended, with nearly 150 women in attendance. Elad and his musicians proved to be highly talented and passionate about sharing their love for Israel and Israeli culture with Jewish communities in the Diaspora. Throughout the show, the women laughed, sang along, and clapped with enthusiasm at the masterful story-telling and talented musicians who brought Israeli culture in a refreshing way to Pittsburgh. Following the show, we were thrilled to receive so many positive remarks from women who attended the show.

On a professional level, it was a great pleasure working with Elad. Not only is he an incredibly talented story teller and actor, he is also a mensch and a downright good person.

I highly recommend the show to Jewish communities looking to bring a bit of Israel to their local Diaspora community.
